PURPOSE OF VOLUNTEER	<p>Bag lunches are an optional, additional meal provided for our guests, particularly on Saturdays. Groups who assemble bagged lunches are helping provide extra meals for The Gathering's guests, beyond our regular meal service on weekends when access to meal programs is more difficult. Our guests greatly appreciate having the extra food to take along with them.</p>
QUALIFICATIONS	<p>This project is appropriate for groups of all ages and abilities. Group leaders are responsible for collecting the supplies and organizing their groups to assemble the lunches, communicating with The Gathering's Executive Director and/or about the status of the bagged lunches, and dropping off lunches at specified site and time.</p>
BENEFITS	<p>This is a unique project in that groups can make it their own! Speakers are available to talk to the group about The Gathering in order to enrich the experience. Contact The Gathering office for more information.</p>
