WHAT TO EXPECT	Since various cleaning projects happen throughout the year, there is no guarantee that we will be able to accommodate your group. No sandals, open toed shoes, short shorts or crop tops allowed. This is a hands-on service opportunity. Groups will complete a variety of cleaning tasks including wiping down tables, chairs and floors; scrubbing walls, cabinets and carts; and possibly organizing and cleaning storage rooms and kitchens.
PURPOSE OF VOLUNTEER	During the course of the year, The Gathering operates 10 meals weekly at three different locations throughout the city. While we clean each site thoroughly after each meal, a “deep cleaning” of our three sites is often needed. Groups work to help create a clean and hospitable environment for our volunteers and guests.
QUALIFICATIONS	This project works best for groups aged 15 and up. Minors must have adult chaperones. Group members should be friendly, helpful and willing to assist where needed. This project requires the ability to stand for extended periods of time. Potential volunteers must be able to follow instructions. Please wear comfortable, casual clothing which may become wet or dirty.
BENEFITS	This opportunity gives volunteers a sense of accomplishment, by seeing the fruits of their labor. Cleaning opportunities allow volunteers to participate in The Gathering in a unique and impactful way.
